The Stone Yard

Permit number EPR/LB3307LR

Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

We consider that in reaching our decision to transfer the permit we have taken into account all relevant considerations and legal requirements.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.

Status log of the permit		
Description	Date	Comments
Application EPR/GB3339AH/A001	Duly made 27/03/12	Application for Standard rules SR2009No6 - inert and excavation waste transfer station with treatment
